

## Les CAISET (de Moitron)

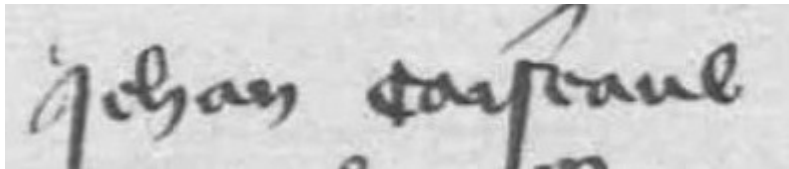

Grâce aux registres B 11560 à B 11569 des Cerches les Feux du Bailliage de la Montaigne » du Châtillonnais, j'ai pu retrouver la souche du patronyme CAISEL sur Moitron, qui commence à devenir CAISET en 1424, cela nous montre bien la longue évolution de certains patronymes jusqu'à nos jours, qui devient parfois même CAIZET.
