

Les LANTILLEY d'Echalot

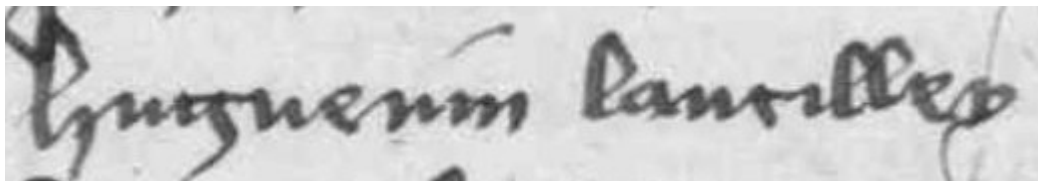

Toujours à partir des registres des Cerches les Feux, j'ai pu reconstituer la souche du patronyme LANTILLEY sur Echalot.

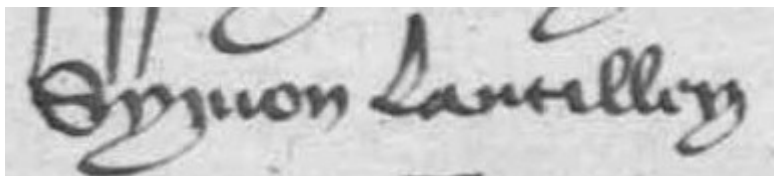

1380 hug(uenin) lantile

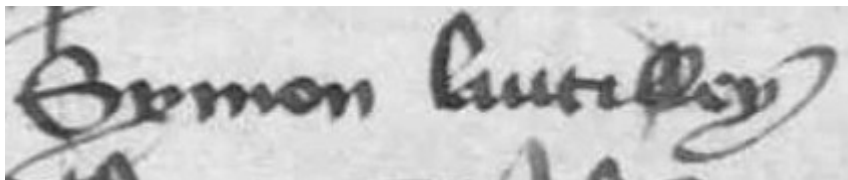

1384 huguenin lantilley (solvable)

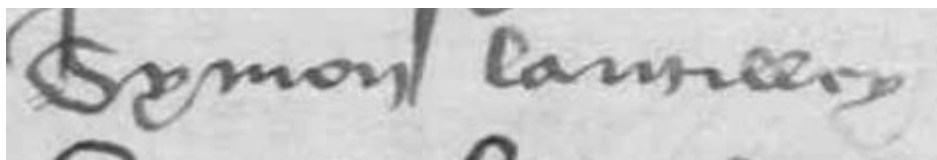

1390 huguenin lantilley (solvable)

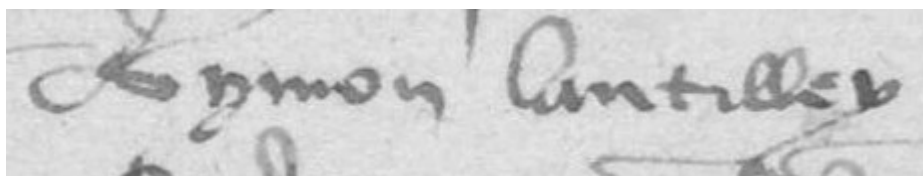

1397 symon lantilley (solvable)

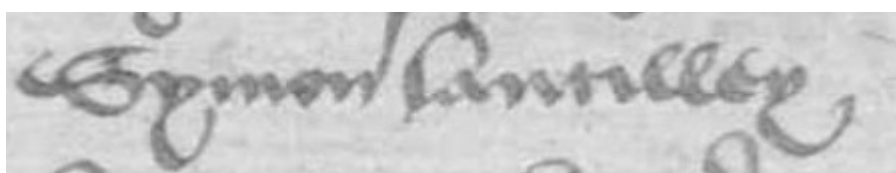

1400 symon lantilley (solvable)

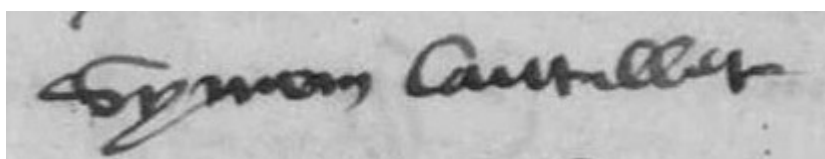

1406 symon lantilley (solvable)

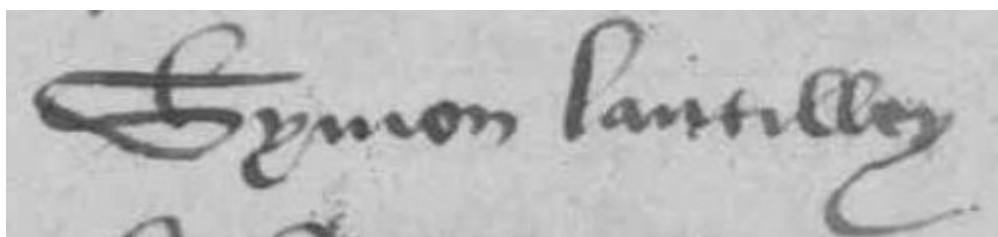

1413 symon lantilley (solvable)

1421 symon lantilley (solvable)

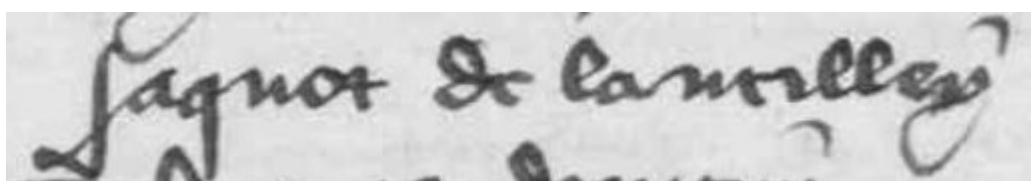

1423 symon lantilley (misérable)

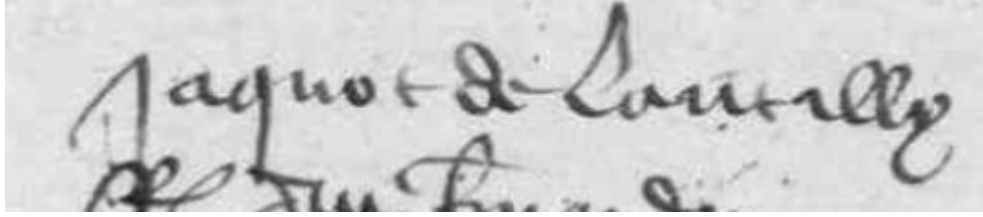

1424 symon lantilley (solvable)

Et au cas où, une trace de LANTILLEY sur Beaunotte

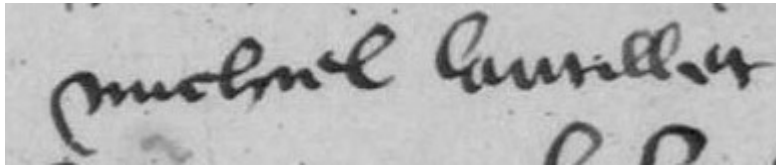

1390 jacot de lantillet (solvable à Beaunotte)

1397 jaquot de lantilley (mendiant à Beaunotte)

Et une autre trace de LANTILLET sur Salives

1423 et 1424 michiel lantillet (misérable à Salives)

Il est à remarquer sur Recey-sur-Ource la présence du patronyme CASSE LENTILLE de 1384 à 1424.
